

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Allanna Warren,

Case No. 2:24-cv-00678-JAD-NJK

Plaintiff

Order Extending Response Deadline to May 29, 2024

Hilton et al.,

ECF Nos. 8, 12

Defendants

Plaintiff Allanna Warren asks to the court for an unspecified additional amount of time to respond to the defendants' pending motion to dismiss,¹ explaining that she needs more time to "think and argue" because she's busy with other litigation she's pursuing.²

12 The court finds that there is good cause for a 30-day extension based on Warren's motion.

13 However, the court cautions Warren that she must tell the court how many extra days she wants
14 in any further extension request, and her failure to say how much more time she needs may result
15 in the denial of a future request. And the court cautions Warren that, because the number of
16 cases that she files and pursues on a pro se basis is entirely within her control, the inability to
17 address all matters in that litigation timely will not be “good cause” for repeated requests for
18 extensions of time.
